Trademark Description
The design element of the trade-mark, positioned to the left of the words 'Eastern Partitions' is a representation of the block letters 'E' and 'P' in three dimensions, attached front to back and rotated on a 45-degree angle. There is a slight curve at the top of the vertical stroke of the letter 'E' and a slight curve of the top horizontal stroke of the letter 'E' where both the vertical and horizontal strokes connect thereby giving the effect of the top outer left-hand corner of the letter 'E' being rounded rather than having a perpendicular angle. The lobe of the letter 'P' is square. The vertical stroke of the letter 'P' connects to the tip of each end of the horizontal strokes of the letter 'E' giving the appearance that the opening of the letter 'E' is attached to the back of the letter 'P'. The capline of the letter 'E' and the capline of the letter 'P' are the same. The overall effect of the design is of the letters 'E' and 'P' and of a representation of office cubicles. The words 'Eastern Partitions' are located horizontally to the right of the design. The words 'Eastern Partitions' are in the font Museo 700. The first letter of 'Eastern' and the first letter of 'Partitions' are capitalized. The word 'Partitions' is located horizontally below the word 'Eastern'. 'Eastern' and 'Partitions' have the same left hand margin.
